

Prayer for Cancer Healing

Help a friend Share a Prayer

Loving Father, I come before you trusting in your goodness, kindness and the power of your healing love as I lift up to you my sickness.

Heal me, Lord, of my cancer of (*specify sickness*). Lord, you know all things, you can do all things and I know you love me very much. Only you know what is best for me and what I need in terms of healing.

As I sit before you now lay your hands upon me, touch me, heal me and bring me wholeness of body, mind, emotions and spirit. Let the grace of your divine love and power flow to me right now to reach the inner recesses of my being and spread to the different parts of my body.

Take away any pain or feeling of discomfort. Correct any malfunctioning of my bodily organs and tissues. Melt with the heat of your healing love all abnormal and cancerous growths. Arrest the further spreading of those sick cells and create in me new and healthy cells. Root out all the hurts embedded in my subconscious through the years.

Heal all my feelings of rejection, anger, frustration, aggravation, all painful memories of the past and repercussions of traumatic experiences. As you root out all these hurts, fill that void with your spirit of love, peace and understanding, acceptance, meekness and tenderness, kindness, concern and generosity.

As I completely surrender to you my cancer sickness, deliver me from dwelling on self-pity, fears, anxieties, hopelessness and all negative thoughts, and give me the grace to offer all my pains and sufferings for other suffering people like me, especially those sick with cancer, with no one to support them and pray for them.

Help me to see the blessings out of each trial to realize each victory from every tear, to see your guiding hand and feel your loving presence in everything that is happening to me, confident that you are totally in control.

Help me to learn lessons from my mistakes of the past, and work on changes in my life and my way of living. And then, dearest Lord, after I have been healed may my life be a witness to your love, peace and healing power for others and bring glory, honor and praise to you.

All these I pray in the name of Jesus, through the intercession of Mary and all the saints and angels. Amen.
