

# Prayer for Cancer Patients

Help a friend Share a Prayer

We pray for all those undertaking chemotherapy "chemo." the use of medicines or drugs to treat disease, that the Lord will work out His perfect will in your situation and bring about healing. We ask that The Great Physician will heal all those that have undergone surgery and radiation therapy and that the fire of God will destroy all the cancer cells. We speak peace to all the patients and ask the healing virtue of Our Lord God will flow through every vein, tissue, cell, ligament and that healing will manifest. We believe that Gods desire is manifest in your life. His desire is written in 3 John 2 "Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along". We speak peace to all the families having cancer patients. We speak uncommon provisions to cater for all the expenses needed to take care of the patients. We destroy every generational curses and declare that they will not continue but the blessings of God will overshadow each and every one of you. We are in agreement with Gods word in Jeremiah 30:17 "But I will restore you to health and heal your wounds declares the LORD." So be it, in Jesus Name. Amen.
