Miracle Prayer for the Sick

I love you dear Heavenly Father, precious Jesus and beautiful Holy Spirit.

I pray now: "Dear Heavenly Father, as I cup my hands, please fill this cup with JESUS' PRECIOUS POWERFUL BLOOD. Thank you, dear God, and now I take JESUS' PRECIOUS POWERFUL BLOOD and by the Holy Spirit of love, power and sound mind I pour it over my head and let it saturate my body from the top of my head to the bottom of my feet. [As I pour JESUS' BLOOD, which God Almighty put into my hands, over the top of my head I move my hands down over my body, and I see the BLOOD saturate my entire body.]

I now proclaim in Jesus' name that JESUS' PRECIOUS POWERFUL BLOOD, which has cleansing power, healing power and restoration power now cleanses, heals and restores my brain, my conscious mind, my subconscious mind, my head and my hair, my eyes and my ears, my nose, my mouth, my tongue and my lips, my teeth and my gums, my throat, my esophagus, and my stomach, my gall bladder and my liver, my pancreas, and every organ in my body, my immune system, my upper and lower intestines, my colon and my private parts, my hips, my thighs, my legs, my calves, my knees, my ankles, my feet, and my toes, my back side, my kidneys, my spine, my spinal cord, my central nervous system, my autonomic nervous system, my back, my neck, my shoulders, my arms, my hands, and my fingers, my chest, my lungs, and my heart.

Now Dear Father, I pray, fill this cup again with JESUS' PRECIOUS POWERFUL BLOOD. With the Holy Spirit I now pour JESUS' PRECIOUS POWERFUL BLOOD into my heart, this beautiful heart you gave to me oh Lord, which I now give to you and dedicate myself to you, to be obedient to you and my heart totally worships you, loves you and adores you my dearest God.

And now that my heart is filled with JESUS' PRECIOUS POWERFUL BLOOD, this beautiful BLOOD is being pumped through every artery, through every vein, through every capillary, into every bone, every cell, every atom and every molecule of my brain, my body, my spirit, my soul and my blood. Thank you dear God for completely cleansing, healing, and restoring my body, my mind, my heart, my spirit, my soul and my blood, and all my desires in JESUS' holy name. AMEN.
