

Prayer to Jesus Nazarene

O my loving Jesus, whose life in Nazareth was marked with humility and obedience and whose sufferings and death brought about my salvation, grant that i may overcome pride and develop love for earthly hardships. For it is only through a humble heart and joyful love of the cross that I can follow in your footsteps. It is only by carrying the daily cross that I can follow in Your footsteps.

It is only by carrying the daily cross that I can reach heaven.

**Jesus Nazarene,
Bless my family
and me. Amen.**
